

"Firsts" Edition of  
**Truth Be Told**

*real stories told by real people*

There always a first time for everything—first job, first car, first home, first love. Join hosts Steve Russell and Kobi Shaw for an evening of true story “firsts” told by our own Colfax friends and neighbors. Featured local storytellers include **Ken Neuburg, Randy Simpson, Jane Sonnentag and Derek Westholm**. There will also be an open mic portion of this evening. Maybe this be your first time sharing a story, too!
